FEBRUARY 2010

Gloria Dei Lutheran Youth and Confirmation Programs

“Developing young, spiritually alive disciples of Christ”

The weather is getting warmer, and the days longer. We're at the point where we look forward to the warm weather of spring headed our way! The waiting and wanting is almost too much to bear. Wouldn't it be great if our longing for a stronger relationship with Christ was like that? It's like waiting for school to end. "I can't WAIT for school to end!" The thought of school being over is freeing isn't it? Think about the last time you said "Man, I can't to talk to God!" Haven't done that you say? Well say it now three times...get louder each time you say it! After your busy day is over or when things are winding down at anytime during your day...talk to God. Check in with Him. The best thing about talking with God is that He is such a great listener, I can say anything to Him, because I know he'll hear me and answer me. "MAN, I CAN'T WAIT TO TALK TO GOD TODAY!" Just try it, and see what happens! Peace be the journey,
Joshua
